and **Nanticoke River Yacht Club**

Judging by **Gallory 107 -Nanticoke River Arts Council**

\$20 Early Registration \$30 to Register from Aug. 2nd to Aug 8th

Welcome to the wacky world of...
recycled cardboard boats!

All boats must be made entirely of recycled corrugated cardboard. No metal, wood, screws or motors. From canoes to cruise ships and space ships, you're liable to see it here and you'll be asking yourself...

"Will that really float?" More information:

Contact Matt at 302-422-0847 x102 or matt@delnature.org

Registration begins at 12PM, judging at 1PM and races at 2PM. Awards will be given for the **Pride of the Fleet (best construction)**, **Best Decorated**, **Best Team Effort**, **Most Whimsical**, **People's Choice** and **fastest times** around a 200 yard course in the marina in each of four categories; **Individual**, **Family**, **Clubs/Businesses** and **Non-profits/Government Organizations**. Yes, cardboard boats can (well, many of them can) float. Some are engineering marvels, which can compete for the coveted **Pride of the Fleet Award**! For those that don't float, we will give a **Titanic Award** for the best and most dramatic sinking!
